

Counseling Services Offered at PHS

Personal/Social Services

Individual and Group Counseling – The counselors at Pana High School are available during school hours and also by appointment to help you with any academic, personal and/or social needs or issues you may have.

Referral to Community Agencies – The counselors will contact and/or provide students and families with information on community agencies as needs arise.

Academic Services

Class Scheduling and Planning – The counselors will meet with students to devise schedules that meet academic needs of students, adhere to school/state standards, and appeal to students' interests and future career plans. This includes making the choice concerning enrolling in dual credit classes.

Individual Educational Guidance – The counselors will meet with students and parents as needed to discuss academic progress. Plans and interventions will be put in place to help students achieve to their highest potential.

Career/College Services

College and Career Information - The Career Center in Student Services serves as a storehouse for information concerning higher education and careers for future planning. Computer programs, higher education catalogues and occupational catalogues are readily available to students and parents. Career interest inventories are provided online or on an individual basis. The counselors maintain a list of college open houses and local visit information.

College and Career Planning – Individual student planning is available and it is encouraged that students visit his/her counselor to discuss career aspirations and interests so that together the student and counselor can create a plan for the future. Help in choosing a college, navigating the application process and finding financial aide/scholarships is available.
