Registration of Pana Unit #8 kindergarten students for the 2011-2012 school year has been set for **Thursday and Friday, April 14 and 15, from 8:30 a.m. – 3:00 p.m., at Washington School.**

There will be volunteers available who will give parents and students a tour of the school. This will be an excellent opportunity to visit all of the kindergarten classes as well as see the music, art, and physical education programs in action. The guide will also show you the lunchroom and offices.

Registration will be held at Washington School, 200 South Sherman St., top floor in the library. Parents may furnish, at this time, the child's **birth certificate**.

Parents will receive dental, vision, and physical exam form packets with a checklist showing what all is needed for their child when they begin kindergarten. School law requires that all students must have a physical exam and the proper immunizations before entering kindergarten. A lead screening, dental exam, and eye exam is also required.

Students must have a physical exam and the required immunizations in order to start school in the fall. Also, we **must** have a copy of a **certified birth certificate** on file. A child **must** be five years old by September 1<sup>st</sup> to be admitted to kindergarten.

Registration times are 8:30 a.m. to 3:00 p.m., on Thursday, April 14 and Friday, April 15.

If it is impossible, because of illness or other good reason, to register on the above dates, please phone Washington School, **562-7500**, to make other arrangements. All students who will be in kindergarten next fall will be screened later on this May. Appointments will be made with parents during the pre-registration. A complete kindergarten informational letter will be mailed this summer to all parents of 2011-2012 kindergarten students. If you have any questions, please feel free to call the school at any time.

Thank you,

Mr. Nicolas, principal  
Mrs. Lewis, secretary
