Parents:

Jefferson Middle School will begin ISAT testing on Monday, March 1 with an ending date of March 12. Students will be tested in Reading, Writing and Math and will be taking two (2) tests per day.

These tests are extremely important to students, our school, and our district. As your child can attest, our teachers have been preparing and now we are asking for your assistance in the preparation:

Prepare your child with a good night's sleep
Start their day with a healthy breakfast
Make sure they wear comfortable clothing
Encourage them to try hard and do their best
Promote good attendance and being on time to school

Listed below, you will find testing information that is provided by The Illinois State Board of Education with a breakdown of test time frames as well as what is required on each test.
